

# FOBO★GRO

## OUR STORY

GW students and grads ourselves, we remember many a trip to the historic Foggy Bottom Grocery and have a personal connection to the store, so we take the reinvention of this 60+ year-old neighborhood establishment very seriously. The renovated FoBoGro is steeped in tradition, but revamped by modern touches.

FoBoGro is a fully stocked one-stop-shop with a unique product selection, delicious take out, convenient online ordering options, and a fun community vibe. FoBoGro is still the place for every day must-haves, but also serves up a selection of specialty, gourmet items and local products. Grab sandwiches that put a fresh twist on the classics, crisp salads, delicious soups and more.

Everyday, every palate, every need ... we've got you covered. We're just down the block, so come by and say hi. We love making new friends.
